Headteacher: Mrs. J. Newby

5th December 2018

Dear Parents,

We have worked hard in recent years to develop our Science curriculum and ensure our children have fun while learning. Our first week back in January is the whole school science week. This year's theme is Rocks and Fossils because Science Rocks!!

To kick start our week we have invited the 'As-Creatives' company to come into school to deliver a workshop on Science Skills. They will teach the children the essential elements needed to be a great scientist using drama and problem solving techniques. It will be a great way to get the children enthusiastic and wanting to find out more about all things scientific!

To cover the cost of this visit we would request a voluntary contribution of £2.50 per child. This payment can be made using the schools online payment method at www.simsagora.co.uk.

We are always grateful for your support with contributing to the cost of these events, particularly at a time of year when there are many demands on your finances. I am sure all of the children from EYFS up to Year 6 will have a fantastic day.

Thank you for your help and support.

Mrs E Jones
Science Subject Leader
