Dear Parents & Carers

I write to inform you that after ten very happy years as Headteacher at Netherseal St Peter's and a total of more than seventeen years' employment at the school, I will be retiring at the end of April 2019.

It has been a great privilege to lead our school community for so many years and I am proud of all that has been achieved under my headship. I will miss everything about the school – the children who make me smile every day with their outstanding attitude and achievements; you, the parents who have been so supportive and appreciative of all that we provide, and of course my truly exceptional staff and governing body.

I feel I will be passing Netherseal St Peter's over to a new post holder in a very positive and healthy position and I have the utmost confidence that the school will continue to thrive. It is of course some time yet until the end of April, hence it will be 'business as usual' whilst governors seek to appoint a new Headteacher in time to take up post at the beginning of the summer term.

I would like to thank you all for the support you have given to me and to the school during my time here. I look forward to seeing you at the forthcoming Christmas events and as always, I am happy to chat to parents, so please do catch me on the playground or pop into school if you wish to do so.

Yours sincerely

S Hart
