Mid-Year Target Reports

Your child will be bringing home a report next Wednesday (19th Dec) which is designed to inform you of their overall approach to school work and their current academic progress. It will enable you to see how well your child is progressing towards achieving national expectations by the end of key stage and the targets set to enable them to make further progress.

FoLPS Xmas Fayre

Thank you to all the parents, families and members of the community who were able to join us for our Christmas Fayre and our Christmas Shopping Evening.

We were very lucky to have so many craft stall holders present and, of course, a special visit by Santa Claus and his elves. We raised over £1,900 for FoLPS funding. Thank you

Christmas Events

We are all getting completely in the Christmas mood at Lyneham Primary School thanks to the fantastic nativity and singing performances that the children will be delivering over the next week.

We will start with the EYFS Nativity show 'Wriggly Nativity' on Thursday afternoon, followed by the KS2 Church Service on Friday morning and Yr1 Christmas Songs on Friday afternoon. On Monday afternoon we have Yr2 Christmas Songs and next Wednesday, children will be entertained with a fantastic pantomime performance of Cinderella oh yes, they will!!!

Extracurricular Clubs

All extracurricular lunchtime and afterschool clubs for Terms 1 & 2 will end this week (w/c 10th Dec).

Letters and booking forms for Terms 3 & 4 were sent home last week. Please ensure that completed booking forms are returned to school by Wednesday 12th Dec and we will advise you of secured club places in January. Clubs will start during week commencing 14th January.

Leaving LPS?

If you know that you might be leaving us soon please let us know as soon as possible. It means that we can get all the necessary paperwork completed but, more importantly, we can start the valuable transition work with your child to prepare them for their new school.

aims to identify and address local health priorities

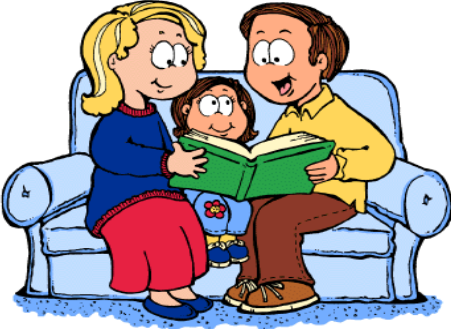

Wiltshire Healthy Schools - The programme accredits schools that have provided evidence to show how their provision effectively supports the health and wellbeing of their pupils. Schools can work towards bronze, silver or gold levels to achieve Wiltshire Healthy Schools status. To be accredited schools need to meet a range of standards based on local and national priorities and the multiagency group granting the awards includes police, school health nurses, school representatives, Wiltshire & Swindon Sports Partnership and others. A total of 144 schools take part to achieve the awards and we are extremely proud to announce that we have been awarded **Bronze level**
