## Changeable Weather

Please ensure your child brings a coat to school at all times, the weather is extremely changeable at present and, unless the rain is very heavy, children will always play outside at break times. Similarly, recently our weather has at times been very sunny and hot. Therefore, we would ask that your child has sun protection before they leave home and a hat. Water bottles can be purchased from the school office for 20p.

## Bikeability

Yr6 will have the opportunity to complete a Bikeability course over 2 days on 23rd/25th May. A further letter will be sent out by Mrs Amesbury, in the near future.

This would be a good place to insert a short paragraph about your organization. It might include the purpose of the organization, its mission, founding date, and a brief history. You could also include a brief list of the types of products, services, or programs your organization offers, the geographic area covered (for example, western U.S. or European markets), and a profile of the types of customers or members served.

It would also be useful to include a contact name for readers who want more information about the organization.

## Back Page Story Headline

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If

your organization is small, you may want to list the names of all employees.

If you have any prices of standard products or services, you can include a listing of those here. You may want to refer your readers to any other forms of

communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.
