

Dear Parent/Carer

We would like to extend our sincerest apologies for the recent issues surrounding our school minibuss transport system. We are sorry for the inconvenience caused, the time your child has had to spend waiting for the school bus and also the impact it has had on your child's school day.

We as a school pride ourselves on keeping your child and all staff associated with the school safe at all times. Unfortunately, at present we are experiencing a number of mechanical issues with the majority of our school minibuses. As such the extent of mechanical failure has rendered the majority of buses not roadworthy. We are working closely with the local authority and our local service provider to rectify the situation. Staff have worked hard to overcome the issue with the minibuses we have available as well as driving their own cars to safely transport pupils home.

We will keep you informed of the progress being made and replacement buses being offered in order to re-establish the school transport system back to full operation. If you wish to discuss the matter further, please do not hesitate to contact us.

Yours Sincerely

Mr Price  
Executive Headteacher

Miss Cooper  
Head of School
