Together'**

13<sup>th</sup> December 2018

Dear Parents and Carers

As you will all be aware Ofsted carried out a short inspection of the school last week. I am pleased to be able to send you a copy of the report I received yesterday. I am sure you will be pleased to see that this clearly reflects our school and that Mrs Harrison could see that we are realistic about our journey to becoming outstanding.

The most pleasing thing to read in the report was that she could see how 'teamwork is the cornerstone of the school's ethos'. The report clearly states that everyone is part of our team; pupils, staff, governors and parents/carers. I was particularly pleased that the contribution you all make in supporting the school was included in her report. Thank you all for this support as it really does make a huge difference.

Thank you to everyone who responded to the surveys and/or spoke to the inspector during the day. She was very pleased to hear your views, especially as they were so positive.

I am sure you will join me in thanking all the staff for all their hard work in ensuring your children get the very best every day. Their commitment is second to none.

Next steps in developing the school further were identified during the inspection. These are all areas we already have plans in place for and have already begun to implement.

I hope you enjoy reading the report and if you have any questions please do not hesitate to contact me.

Thank you once again.

Yours sincerely

Mrs Sam Woolhouse  
Headteacher
