Together'**

13<sup>th</sup> December 2018

Dear Children

This letter is to say well done for all your hard work and to let you know what Mrs Harrison, our visitor said about our school when she visited last week.

She was really pleased to hear that you are proud of your school, that you enjoy learning and want to do well. She saw you all working hard, which is helping you to make rapid progress this year. Mrs Harrison thought it was really good that you feel safe in our school and know how to keep yourselves safe when outside school too. She saw that you are kind, treat people with respect, behave sensibly and look after each other. The most important thing she saw was that we all work together as a team in everything we do.

Mrs Harrison talked to me about the things we can do to make our school even better. This includes all the teachers helping you to always remember to check and correct your writing, as well as help you to think of interesting questions to ask, especially in science.

You should all be very proud of yourselves and keep trying your very best in all that you do.

Well done!

From

Mrs Woolhouse and all the staff
