

After School Clubs Spring Term 2019

Our clubs are run by the external providers themselves.

Further information about what is available for your child's year group and how to register is also available on the school website or via the provider's website. You will need to contact the club provider directly to book a place. Please do this by Friday 14th December so that places can be confirmed in good time for the start of the clubs in the New Year.

The exception to the above is Music club for which you fill in the form inside the leaflet and return to the front office by Friday 14th December.

All clubs run from Monday 14th January until Friday 29th March from 3:30pm – 4:30pm.

There are no clubs during half term 18th – 22nd February.

Behaviour and Attendance at Extended Services Clubs

Children attending extended service schools clubs will be able to learn new skills taught to them by experienced professionals. In order to maximise their enjoyment we expect children to follow all school rules and display high standards of behaviour at all times. Children who do not do so may find that they lose their place in the club.

It is important that you are on time to collect your child at the end of an after school club. If you are late it is unfair on your child and the club provider may charge you for having to look after your child. Persistent lateness to collect may result in your child losing their place in the club.

Club information and links can also be found on our website: www.westactonprimaryschool.org
