We also have taught at camps and worked with organisation and councils all over Europe, competing and performing in numerous events such as all London o2 arena's, Saddlers Wells, London Copper box and many more during the last past 10 years therefor we have developed a mature skill set for teaching all-levels and ages.

We want to inspire & motivate young people using dance as tool to provide a creative platform for all to unite and help build positive & healthy communities.

### Class Format

Each class will run by our professional and highly experienced Mentor/Choreographer which will focus on developing technique, Musicality, co-ordination and helping young people build their creativity and confidence but most importantly having fun while doing so.
