To all Year 2 Parents/Guardians

As part of our work on Toys, we would appreciate your child bringing in a small toy by Friday 11th January, which they need to leave in school for a few weeks.

Listed below are the themes for 'Show and Tell' for the Spring Term.

<u>Dates:</u>	<u>Themes</u>
14 th January -25 th January	My Toy - this should include details of what it does, how it moves and what it is made of.
28 th January -8 th February	A favourite photograph or painting. <u>If a photograph</u> , this could include where and when the photo was taken, what it shows, who took it and why it is a favourite. <u>If a painting</u> , this could include the artist, where or what it shows, when it was painted, how it was painted and why it is a favourite.
11 th -15 th February	A famous invention week 1 children
18 th February– 22 nd February	Half Term
25 th February – 1 st March	A famous invention week 2 children
4 th March -15 th March	My Favourite Poem
18 th March -4 th	Signs of Spring – anything to do with the new season

Each presentation should be planned **to last no more than two minutes**. Homemade pictures and writing are always encouraged, though photographs and artefacts would be equally appropriate. A few simple memorised facts are usually more effective than a long piece of text that comes directly from the Internet and has to be read. Please encourage your child to plan what they will say, and anticipate questions they may be asked. If books are to be used, help your child to select and mark relevant pages beforehand.

We will always endeavour to look after precious items, but would request that nothing too fragile comes to school, as we would hate irreplaceable heirlooms to be damaged accidentally in a busy classroom.

We acknowledge that children occasionally have news that is very exciting and needs to be presented as close to the event as possible, and will endeavour to provide opportunities for this.

Please ask us if you require any clarification about these themes or our expectations.

Thank you.
