## AOB

### FHT Children's Parliament

Max and Abigail fed back about their meeting with children from other FHT schools. They had gone to Candleby Lane school on Tuesday where they had been asked to think about values within our school. All the children were asked about how values are shared within their schools, whether they linked to behaviour strategies etc. Each school created a poster to explain what happens in their school. Max and Abigail were confident and explained all about our vision and values brilliantly. Well done to them!

### H&S Governor Visit

Mr Mitchell attended today's meeting. He introduced himself to the children and the children had an opportunity to ask questions about his role. He heard the concerns of the children re. parking and he explained that he had spoken to our local community police officer about the situation.

The children had a further discussion about what else could be done to improve the situation.

- ❖ A suggestion was made to make placards to have when handing out leaflets, to draw attention to the dangers of parking around school. It was also suggested that we could invite governors to support us in our leafletting campaign.
- ❖ Another suggestion was to also have a 'dangerous parking' ticket that could be put on the windscreens of badly/dangerously parked cars.
- ❖ The children wondered whether we could take photos of the badly/dangerously parked cars and give them to the police.

Thank you to Mr Mitchell (H&S Governor) for attending our meeting today.

Date of next meeting: **Friday 14<sup>th</sup> December 2018 at 2.45pm in SLT Office**
