

## Literacy

This term we will be writing a report on The Great Fire of London. We will use non-fiction texts and the internet to source information. We will be reading, writing and performing poetry with a pattern. We will be learning how to write a diary entry and also looking at different dragon stories and creating our own. We will write a set of instructions and follow them to build our own rockets.

## Computing

In computing this term we will use the features of an ICT graphics package to explore our ideas and to identify ways to develop and improve our work. We will be studying online safety and digital literacy. We

## PE

This term in PE we will be building on and advancing our gymnastics skills. We will also be creating and performing our own Chinese dragon dance.

## History

In History we will be studying The Great Fire of London. This will include reading diary entries from Samuel Pepys and discovering how the fire started and the damage it caused. We will be looking at Tudor houses and comparing them to the houses we live in today.

## Music

In Music we will sing, dance and act to produce a Great Fire of London performance. We will also learn to play London's Burning on an ocarina.

## Maths

In Maths we will continue to focus on our number skills through:

- Number and place value.
- Addition and subtraction.
- Multiplication and division.
- Fractions.

The children will continue to take part in the Times Table Challenge which requires them to learn their x2, x5, x10 and x3 off by heart.

## Science

In Science we will identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses. We will look at the materials Tudor Houses were made from. We will also be looking at living things and their habitats.

## Geography

In Geography we will study pictures of London in the past and in the present and ask 'How has it changed?' We will draw pictures to show how places are different and write comparatively to show the difference.

## RE

This term we will study the Belief in God and the bible and look at how Christian's care for God's creation introducing ceremonies of commitment and belonging. We will read stories about St Cuthbert and his influence.

## D & T

This term we will be making and evaluating our own rocket. We will also be designing, making and evaluating our
