

**Dear Parents, Carers and Friends,**

**14th December 2018**

**A note from Mrs Jameson**

What an incredibly busy time we have had in school this week. The week began with a fabulous school disco enjoyed by all. Many thanks to the PTFA for organising and running this event, to staff for helping out and to all of you for supporting.

On Tuesday, Wednesday and Thursday Kilham Primary School became the 'West End' of the Wolds, with children in classes 1,2 and 3 taking to the stage for their performance of 'A Christmas-Toy Story'. The children performed with confidence and enthusiasm demonstrating a huge amount of dedication to learning their parts. Many thanks to all of the staff for their hard work in putting the performance together and to you all for your support.

Finally, on Wednesday we had a visitor. It wasn't Santa as some of the younger children eagerly anticipated, it was an Inspector from OFSTED. The inspector spent the full day in school spending time with myself, teaching staff, governors, pupils, parents and members of the local authority. We are not allowed to say at this point in time what the outcome of the inspection was but I can let you know that we are all smiling and the inspector agreed with our judgements about the school. A letter informing you of the outcome will be sent to school and shared with you in the new year.

As this will be the last newsletter of this term I would just like to say a huge thank you to all of the Kilham Primary School Community for making me feel so welcome this term. I have really enjoyed getting to know you and working with your children. An extra special thanks to all of the staff and governors who have shown commitment and dedication this term and supported me with the development of the school. As I pass the baton on to Mr Palmer I wish him and all of you my very best wishes for a happy and successful future. I shall miss being part of the Kilham team.

Merry Christmas to you all.

## **A Message from Mr Palmer**

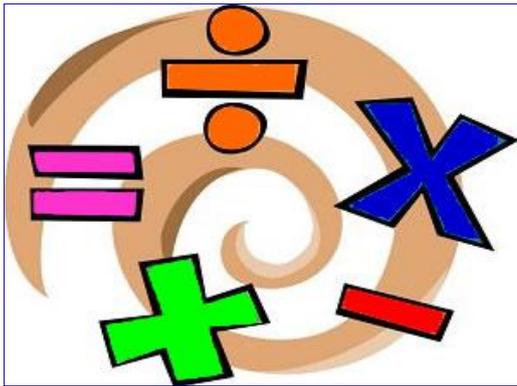

Dear Parents and Carers

As the proud new Headteacher of Kilham C of E Primary School from January, I thought it was important to write to Mrs Jameson to say a big thank for all of her work from the families, parents, children, staff and governors within school. Over the past term I have had the pleasure of working with Mrs Jameson and want to thank her for her hard work and dedication and for her support and calm professional manner during the recent Ofsted inspection. She has done a fantastic job of supporting the school family and myself in ensuring that the schools transition to a new Headteacher has been as smooth as possible and that I am ready to take the reins in January.

I will be sending out further information about the schools ongoing journey and the result of the recent Ofsted inspection in January but for now would like to wish Mrs Jameson a Merry Christmas and thank her once again for her excellent work over this very busy and intense term.

### ***Dates for your Diary***

Tuesday 18th December	Schools Music Service Christmas Concert for pupils
