

Topic

This week we learnt a bit more about the Blitz, including the aeroplanes used by the RAF and Luftwaffe. The children made their own aeroplane models, copying the markings of one of the planes from WWII.

A Midwife Crisis

Wow! What an amazing couple of performances! I am super-proud of every single child. All of their hard work in learning their lines, practising, singing and concentrating in rehearsals all paid off. I hope you enjoyed the show too.

Maths

Building on last week's learning, the children have now learnt to add with regrouping.

We are using this written column method:

	2	0		9
+	3	0		3
<hr/>				
	6	0	1	2
	1	0		2

Fantastic Finish!

This afternoon, we had our "London on Fire!" Fantastic Finish. The children worked in groups to create a mural of London. Then we used pyrotechnic equipment to create a flame effect in front of the mural. It was definitely a **wow** event!

Coming up...

Mon 17th Dec - Class Christmas Party! You do not need to bring anything in 😊

Tuesday 18th Dec -

Wednesday 19th Dec - Christmas Lunch and pop into the classroom to look at your child's work! 3.15-3.45pm

Thursday 20th Dec - Carol Concert at the Church 1.45pm

Friday 21st Dec - Finish at 1.30pm

We have lots of year 1 books which we are planning to send home next week. Please bring in a plastic bag to carry your work home in!
