## Display Policy

### Introduction

The purpose of this policy is;

- To provide support for all staff
- To provide a framework for the whole school approach

### Aims

- To ensure that all members of staff are aware of the importance of careful display and presentation of children's work and to provide a standardised approach across the school.
- To give each child a sense of pride and achievement when they see their work displayed.

### Objectives

It is **essential** that staff organisation and presentation is of a high standard and consistent throughout the school. It is a valuable tool for showing our children that we value them and their work highly and of communicating to them that it is important to take pride in what they do.

### Purpose of display

- To create a stimulating and attractive learning environment.
- To visually convey the ethos of the school – to children, parent/carers, governors, staff and visitors.
- To celebrate children's achievement.
- To give purpose and value to children's work.
- To encourage a positive attitude towards the environment.
- To show progression through the key stages.
- To model the quality and standard of work we expect.

### Compliance

Every classroom should have displayed:

- Mission statement
- Eco Statement
- Class charter
- Timetable
- Visual timetable
- Skills for learning
- Timeline

### Classrooms

Backing paper must be restricted to one colour + black + white.

Display boards should not have borders.

Photographs should have a small white border before backing.

Borders around work should be trimmed evenly.

Titles must have the lettering cut out individually.

The font that we predominantly use is Hfw cursive (size – no bigger than 350)

All words in the title should have capital letters with the exception of:

- articles (a, an, the)
- coordinating conjunctions (for, and, nor, but, or, yet, so)
- infinitive marker (to)

Displays should reflect the current unit of work.

Classrooms should be immersed in accordance with the current unit of work.

## **Corridors**

All year groups to use the same backing colour and title. The work for the boards will be based around the whole school WOW moments.

## **Reading Areas**

The reading area needs to be linked to the current unit of work and have a carefully selected range of books which:

- relate to the current learning
- nurture the class's interest in reading
- support reading development
- enable children to talk about their likes and dislikes in reading
- Questions and prompts should be displayed and appropriate for the pupils to interact with.

## **Monitoring and Review**

Deputy Head with responsibility for Teaching and Learning is responsible for monitoring the implementation of this policy. The SLT will carry out regular compliance checks to ensure that the expected standards are maintained.
