

## Change for Life Festival by Leah - Sport Council Rep

On Thursday 6<sup>th</sup> December 2018, some children from Years 3-6 visited Warriner School for a Change for Life festival. Throughout the morning, we took part in lots of different activities, including: gymnastics, parachute games, boxing, archery and dodgeball. My favourite was archery because I was really good at it. Everyone had a great time because the leaders were so great with us.
