

## Swimming

At Discovery, the children swim for a term in Year 5. Data so far from the academic year 2018/2019 shows that of the current year five cohort, 71% of them had never been swimming before.

After a term of swimming, the cohort could swim the following lengths:

Distance Achieved	Percentage
25m	32%
15 m	4%
10 m	32%
5 m	7%
Non-swimmers	25%

However, 82% of the children were at minimum able to perform a safe self-rescue.
