

# Year 6 Pop Up Restaurant Self Evaluation Record Form (SERF)

## Friday 30<sup>th</sup> November 2018

### 1. What did you enjoy about the pop up restaurant?

- Food, service, layout of room
- Really good and well delivered.
- We enjoyed the food, thought the children were very good at taking orders and very helpful. They all had a smile on their faces and you could see how proud they were to be given a chance to do this.
- Eating the food and socialising with different people. The chilli was really excellent.
- It allowed the children to not just learn about Mexico but bring it to life. The excitement and enthusiasm was brought home and we now have 'Taco Tuesday' – anything Mexican on the menu and our child gets involved too.
- Very evident that this was a well organised event, both from the teacher and children. The children worked very hard and they were proud which showed in the enthusiastic way they worked. Brilliant team work. I would go to their restaurant any time and pay!
- Really enjoyed the children's enthusiasm for this event, the competitive edge was well balanced and the quality of the food which was superb.
- It was lovely to see how much they enjoyed doing it and how proud they felt cooking food for a purpose.
- The fact that the children had full roles and involvement it gave them grown up responsibility and confidence!

### 2. What did you enjoy about your visit to Immaculate Heart of Mary Catholic Primary School this morning?

- Friendly reception; event well organised; generally happy atmosphere.
- Seeing all the kids so happy.
- Just lovely to be invited to an event like this as it's different from anything I've been to before at a school. Was nice to sit and speak to other parents and enjoy food that the children have made.
- Being looked after by the children and seeing them work so hard. I think that the children will appreciate how hard people work in a restaurant from now on.
- 100% commitment from all staff and children. Could see all the hard work that everyone had put in. IHOM at its best!
- Caring atmosphere, good behaviour of the children, informative displays, cleanliness.
- Always a warm welcome.
- Always welcoming.
- School is always welcoming and a pleasure to visit.

### 3. Is there anything you think could be improved with regard to one-off events such as this?

- No was really good.
- Nothing I can think of as it was excellent.
- Have it in the evening so more parents can make it.
- The event clashed with a football match which had a significant impact on the teams during preparation and the numbers in attendance. I would like to see this type of clash avoided in future pop up events such as this.
