Well done to all the children for the lovely performances at our **Carol Service at Christ Church** today. Following the service we all had a look at the Christmas trees in church which have all been so beautifully decorated by various groups from within our village community.

A reminder that school closes for the **Christmas holidays this Friday at 1.30pm** and returns on **Thursday 3rd January 2019**. **OOSC is closed this Friday** but resumes all normal opening times next term.

If parents of children who are **Young Leaders at playtimes** wish to order additional hoodies other than the one provided by school, please see Mrs Bryden in the office as this is possible.

We look forward to the **Nativity performances this Wednesday at 2.00pm and 6.00pm**, please ensure your child is back in school by 5.40pm for the Wednesday night performance. We still have a few afternoon performance tickets available in the office.

You are all welcome to **Carols Round the Tree** this Friday at 1.00pm, a lovely way to start the Christmas break!

Just to give you advance warning, **swimming** starts after the Christmas break for **Class 6** on Friday 11th January. The payment of £15.00 will be on the online system following the break.

On behalf of the children, staff and Directors of school I hope you have a lovely Christmas and a peaceful and joyous New Year.
