Each term, a number of schools are randomly selected to take part in the survey, with the aim of getting 100,000 children and young people in Years 1 to 11 to complete it each academic year. The survey runs on an annual basis. More information on the survey can be found on the Sport England website. <https://www.sportengland.org/>

Moderate activity is defined as activity which makes pupils breathe faster.

Vigorous activity is defined as activity which makes pupils hot or tired.
