December 2018

## Raffle Tickets

We have attached a strip of raffle tickets to your newsletter. £1.00 a strip! Please return one half (name on) and your money to the office. The raffle will be drawn on the last nativity on Wednesday 19<sup>th</sup> December.

On Wednesday 22<sup>nd</sup> November, the children in KS2 had an assembly regarding behaviour. This was an opportunity for Senior Leaders in the school to reiterate the importance of good behaviour as well as remind the children of the sanctions and rewards school will carry out.

## Safeguarding Assembly

KS1 and KS2 have recently enjoyed a safeguarding assembly with Mr O'Connor.

All children were informed of who they should speak to if they have a concern or worry.

There are relevant posters in every classroom throughout school to ensure children continue to have a thorough understanding of safeguarding.

Many thanks to the parents and children who attended the Advent Wreath Workshop. It was a fantastic turn out and we hope you enjoyed the afternoon.

## REMINDER NATIVITY TICKETS

Please make sure you have collected nativity tickets from the office.

From Thursday 13<sup>th</sup> December, the remaining tickets will be available on a first come, first served basis.

## PARENTMAIL

Further to our recent letter regarding our text messaging service, we are excited to share with you that we have decided to go with a company called ParentMail.

The company has created a bespoke app which all parents will receive an email or text to sign up in the near future.

We are asking that parents sign up immediately as this will be the main communication method for us.

If you do not sign up, you will miss important information and reminders.

If your child is on packed lunches and would like a Christmas Dinner on Friday 21<sup>st</sup> December, please ensure you have filled in a slip at the office before Wednesday 12<sup>th</sup> December.

Thank you to everyone who attended the Christmas Fayre, donated items and purchased some goodies. We have raised a fantastic **£735** so far. This will go some way to help pay for the playground markings that were installed during the October half term.
