

YEAR GROUP NEWS

14th December 2018

Reception

This week, the children performed their Nativity show to the rest of the school and to a large audience. We were very proud of the children's singing and performing on stage. We hope that you enjoyed watching it as much as we enjoyed performing it.

We have also been busy with Christmas crafts, working with clay and finishing our repeating pattern wrapping paper. We have also been writing labels to add to our Christmas gifts.

Next week we have a busy week, with our Christmas lunch on Tuesday, our Christmas party on Wednesday and on the last day of term we are having a bring a toy day. The children can bring in a toy from home to play with and share with their friends. It is helpful if the toys are brought to school in a named carrier bag. We will also use these bags to take home any Christmas art and crafts we have made.

As part of our learning in Reception, children should be able to talk about their family routines, so we are going to talk about something they did over the holidays. Please could you take and bring in a photograph of something you did together that the children will be able to talk about in school.

YEAR 1

This week we have enjoyed sharing our Christmas nativity with you. The children have worked incredible hard so far this year and we have enjoyed watching them on the stage. Thank you for all of your support in preparation for the nativity this year. As the year comes to a close we will be Christmas jumper designing, gingerbread house constructing and Christmas story writing.

Next Wednesday 19th children will be allowed to bring in a toy from home. Please do not bring in anything electronic on this day.

YEAR 2

We were so proud of all the children this week for their amazing performances in the Christmas Production. Thanks to all the parents who brought their children back for the evening show.

Next Monday Year 2 are going to Bluecoat school to see the Year 3/4 production. In English, we are learning, performing and writing Christmas poems and songs. If you can find any online please practise reading them together. If you can print or write any of them, we'd love to hear them on Monday.
