

YEAR GROUP NEWS

7th December 2018

Reception

This week, the children have really enjoyed making wrapping paper by printing a repeating pattern. They used sponges and paint to print 2 and 3 step repeating patterns.

The children have enjoyed exploring the activities in our Winter Grotto. In the Grotto there are gifts to wrap, cards to make and tags to write. There are also lots of dressing up costumes for the children to play with.

We have enjoyed learning the songs and actions for our Nativity show, "A Wiggly Nativity". We are really looking forward to performing this next Thursday afternoon and Friday morning.

YEAR 1

This week we have been learning about the story of the nativity and why we celebrate Christmas. We talked about what Christmas means to us and how we celebrate it differently.

We have enjoyed learning the songs and we appreciate all of the learning you have done at home. Thank you for bringing the costumes in and we cannot wait to show you our performance next week! Please let us know if there is anything we can help you with before the performances.

YEAR 2

Over the weekend keep practising the play words and songs - you're in for a treat next week!!

Year 2 children need an orange for Monday, 10th so they can make a Christingle. (No satsumas or clementines please as they tend to collapse under the pressure!)

Homework - Practise finding 10 or 20 more/less than any 2-digit number by counting on or back in jumps of ten. Remember, the tens number will change; the ones number will stay the same.
