

PE Premium Annual Report End of Financial Year

Whitehall Infant School
2017 - 2018

The PE and Sports Premium is designed to help primary schools improve the quality of the PE and Sports Activities we offer our pupils.

This report provides information about how the PE Premium has been spent at Whitehall Infant School and outlines our plans for using the PE Premium in the year ahead.

In this school, the PE premium will be used:

- To enhance provision at playtimes and lunchtimes so that pupils are able to be more active and engage in a wider range of physical activities
- To improve the quality and breadth of PE and sport provision
- To increase participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of
- To increase our communities' understanding of how to develop a healthy lifestyle

To provide a dance coach to introduce children to the joys of dance through 'Funky Friday'	Children are inspired to become more active	Included in the cost for PSD teaching PE

Impact and Outcomes

Following building work undertaken as part of school expansion in 2014, the playground was identified as an area which needed to be developed as there were few opportunities for pupils to engage in sports and fitness activities due to the nature of the space. The school contributed additional funding and work commenced in 2015 to enhance the outside areas. This was highly successful and the trim trail in particular has proved very popular. Support staff lead specific play activities and ensure children are engaged and active. Activities and resources continue to be purchased to enhance the environment, increase the play opportunities available and inspire children to be active.

Improving the quality and breadth of PE and sport provision

Action	Desired Impact	Cost
To gain an understanding of strengths and weaknesses within the school <ul style="list-style-type: none"> - Register of children's activities - Target our inactive children 	PE subject leader has Knowledge on which support can be planned	Supply cover for PE Lead

To provide after schools clubs in a range of activities	After school clubs: Gymnastics Football Tennis	Paid for by parents

Impact and Outcomes

Over the lifetime of the PE premium, teachers have been engaged in CPD across a range of the PE curriculum. Teachers have a range of strategies to engage children in sports, develop teamwork and encourage pupils to develop specific skills. This is reflected in the PE schemes of work which have been updated in light of the training received. Teachers in the EYFS from September 2018 will have a EY sport specialist come in to enthuse the children.

Increase participation in PE and Sport so that pupils develop healthy and active lifestyles and reach the performance levels they are capable of

Impact and Outcomes

All pupils have been involved in activities to develop a healthy lifestyle. A number of families engaged with family-oriented activities, including some families which were specifically targeted by school staff. Attendance at MEND was good and most families completed the entire 10 week programme. Children were enthusiastic and engaged in the activities which aimed to develop healthy lifestyles.

How do we intend to spend the PE Premium in 2018 - 2019?

- We will continue to promote exercise and healthy lifestyles and increase participation in sports and physical activity by offering pupils a range of health and fitness workshops, family workshops, lunchtime clubs and events throughout the year.
- This year, staff CPD will focus on games teaching and learning
- 'Funky Friday' lunchtime activity to get all the children moving and enjoying dance will continue and run by support staff a new speaker system will be purchased for this.
- Multisport after school clubs for KS1 and EYFS which will be targeting our inactive children will be organised.
- We will look into a new PE scheme (REAL) to support teachers in their teaching of PE
- Opportunities to participate in competitive sports will be researched.
- Resources to improve Gross and fine motor skills in the EY will be purchased
- Resources to improve FMS in Key stage 1
- Pedometers for walk to school prizes
