

BEFORE/AFTER SCHOOL CHILDCARE PROVISION QUESTIONNAIRE OVERVIEW FOR PARENTS

We received a total of 51 questionnaires, covering information about 66 pupils out of a possible 176 (excluding 1 nursery pupil comment) = 37.5% return. Data is displayed per pupil, not per family.

Parental views on our current after school activity club provision

My child is in Reception

Parents seemed happy with the clubs their children currently attend (karate and Spanish):

"I put my child in Sama (karate) because he already wanted to do karate and it was wonderfully convenient that he gets to do this at his school, straight after."

There were 5 comments that there are not many clubs on offer for Reception but also comments that demonstrated some understanding of why (they are so young and it's a long day):

"It's difficult to offer a wide range of clubs for Reception as they are still so young".

Most suggested Reception clubs: Art, cookery, dance/yoga

My child is in Year One

4 parents commented that Year 1 have a very good selection of clubs on offer:

"Seems very good choice of clubs."

2 parents would like to see more creative/musical clubs:

"I would love to see some creative workshops and dance classes."

More suggested Year 1 clubs: Dance, gymnastics, art, sport (tennis, football, ballet)

My child is in Year Two

Parents commented that some of the clubs are not on suitable days for them but we have actually moved the day for STEM club since this feedback. There was good general feedback about current clubs:

"My child has attended STEM club although for Year 3, she has enjoyed! Loved yoga and has enjoyed football club."

One parent commented that there is not a lot of choice and that some of our clubs are only for part of the year:

"There is very little choice and the ones that we have attended (cookery and tennis) are only for a few weeks of the year".

More suggested Year 2 clubs: Athletics or multi-sports, cookery, gardening, art

My child is in Year Three

Parents commented that some of the clubs are not on suitable days for them but we have actually moved the day for STEM club since this feedback.

One parent noted that there are no activities on a Wednesday for Year 1 but Yoga is now on offer to Year 1 on this day.

One comment was regarding the Key Stage 2 athletics being available to Year 3:

"I would like to see athletics open to all of KS2, not just Y4 up, why are Y3 not included?"

More suggested Year 3 clubs: Athletics or sport, forest school, art

My child is in Year Four

One parents commented that STEM club was not on a suitable day but the day has been changed since this feedback.

Parents seemed to have good feedback on the current clubs on offer:

"My child really enjoyed quilling and cookery last year as well as yoga and art."

One parent commented that Year 4 is the only year group without football on offer:

"My son loves football and Y4 is the only class not eligible for football."

More suggested Year 4 clubs: Forest school and various other singular suggestions such as football, sewing & Lego.

My child is in Year Five

3 parents commented positively on the provision of clubs:

"My child enjoyed the computer club last year."

1 parents mentioned the cost of the STEM club:

"My child loves STEM although it is expensive"

More suggested Year 5 clubs: Code/computer and various other singular suggestions such as athletics, gardening.

My child is in Year Six

All comments were positive about the clubs on offer to Year 6:

"I feel that there is a good variety of clubs available."

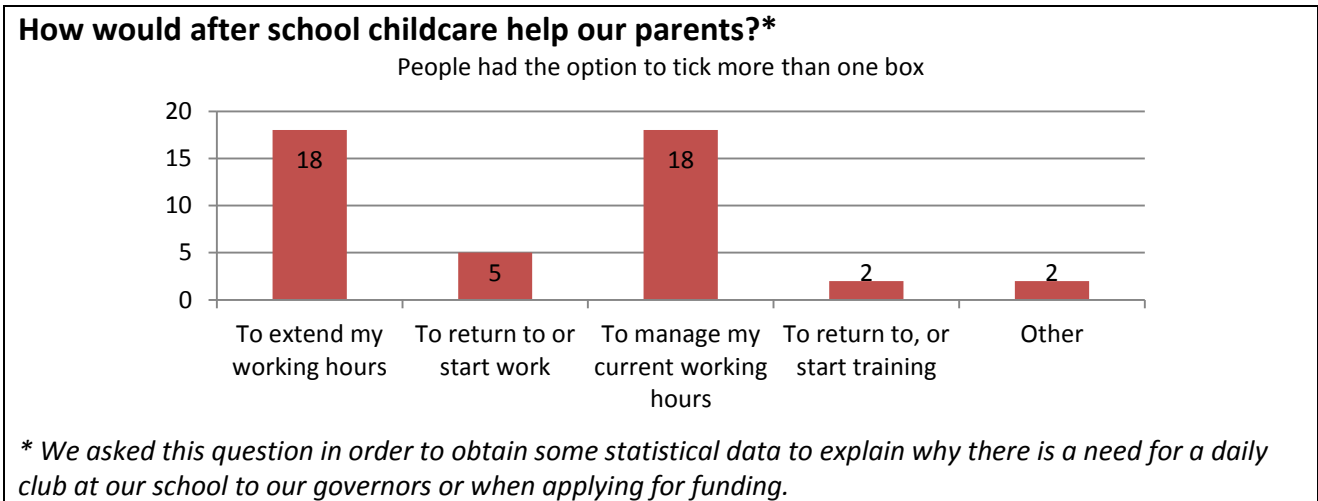

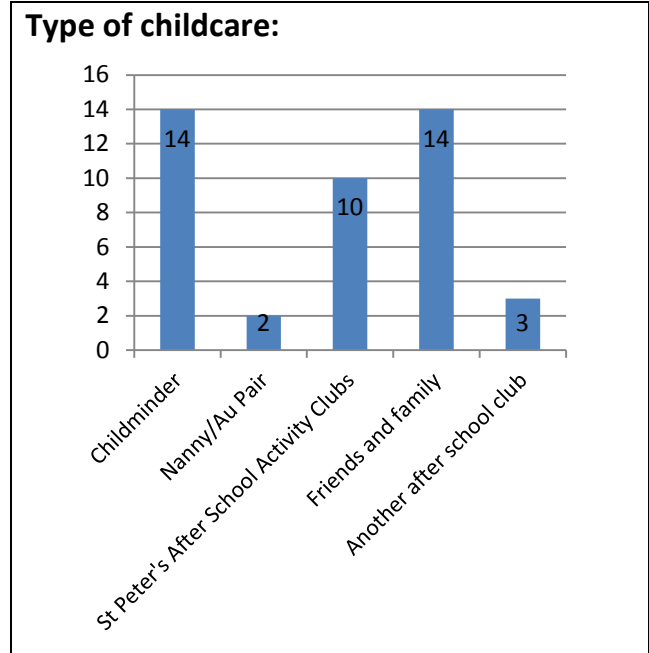

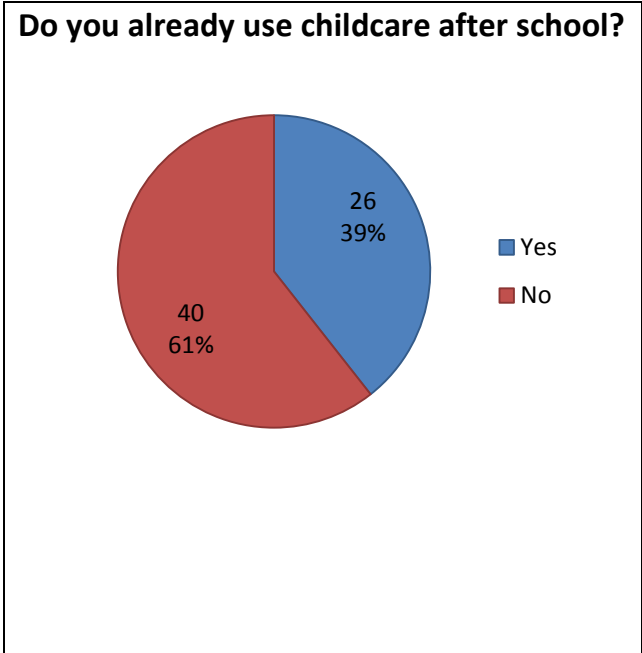

"My child absolutely adores netball and athletics in the summer. She adores Dance at the Dome too!"

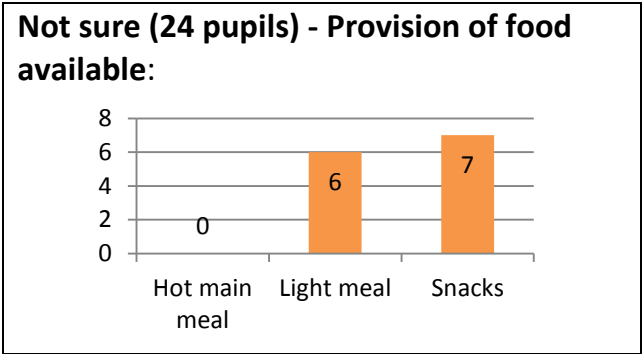

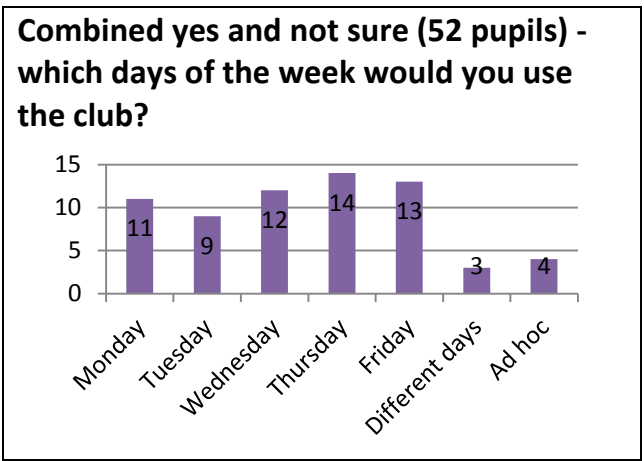

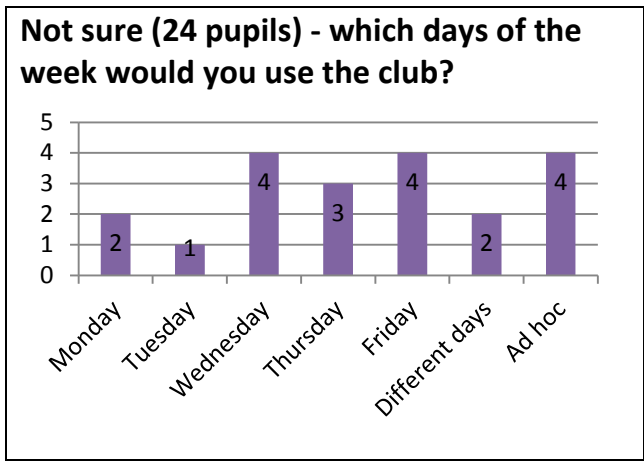

More suggested Year 6 clubs: Various singular suggestions such as rugby, streetdance and cookery.

CURRENT SKILLS CLUBS OUTCOME

- The day that STEM Club was offered was altered to a more suitable day.
- We are investigating the possibility of some of our clubs that only run for a term or two running for longer periods.
- Football is now on offer to Year 4 and we are looking at ways to offer Athletics to Year 3 as well (possibly at points of the year).
- We would like to be able to offer a seasonal gardening club - if any parents have any experience in this area and could offer their time to help with this, please let Miss Lynch know.
- We hope to incorporate some of the activities suggested into a trial run of a daily childcare after school club.

After School Childcare Club

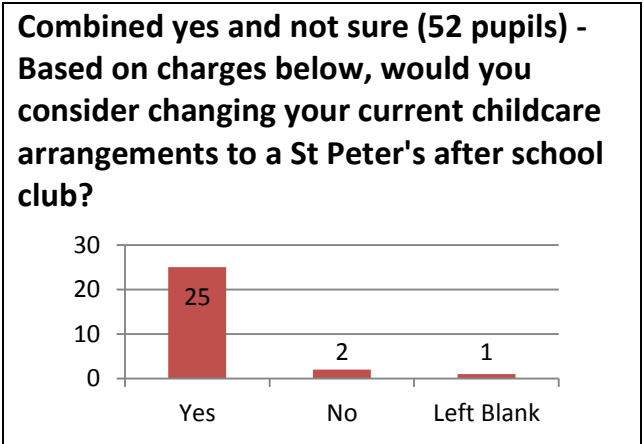

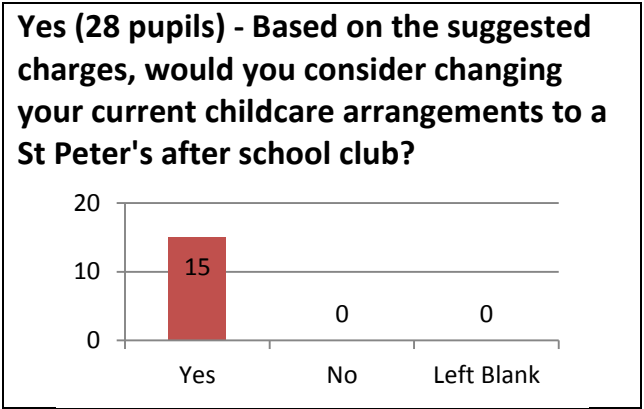

Our suggested charges:

£15.00 for 3.15 - 6.00pm including main, hot meal.

£10.00 for 3.15-5.00pm snacks only.

£12.50 for 3.15 - 6.00pm including light meal and snacks.

DAILY AFTER SCHOOL CLUB PROVISION OUTCOME

The above feedback demonstrates an interest in a daily after school childcare club for our children. Due to your comments and information given on the questionnaire, we would like to offer this provision to parents for a trial period and are currently investigating starting this in the Autumn Term 2019. We will keep parents informed and will notify you all as soon as we can confirm that we are able to offer this provision.

Breakfast Club

Do our families currently use the St Mary's Breakfast Club?

If you haven't used it before, would you use the Breakfast Club at St Mary's if needed before school childcare? **

**Some answers left blank

Why haven't you used the club?

If you wouldn't use the St Mary's Club, would you use a Breakfast Club based at St Peter's?

BREAKFAST CLUB OUTCOME

Your feedback shows that some parents would be more likely to use a Breakfast Club at St Peter's than the provision we currently offer through St Mary's RC Primary School. From your overall feedback, we are going to concentrate developing the provision we offer after school initially but we will be offering a one day a week Breakfast Club in the summer term at St Peter's with CBeebies Sid and his upcoming "Healthy Little Steps Club". More information will follow soon about this.
