

Dear Parents/Carers

School Extra Curricular Activities – Terms 3 & 4

Below is the timetable for our extra curricular activities that will be running this term. School run club leaders will return your slips indicating whether your child has a place or not. No child will be allowed to attend a school club without a permission slip.

Letters for the following outside clubs will be posted on the school's website. Please apply electronically directly to the required club provider. There will be a small number of letters in the office for those who do not have access to a computer: Acceptance to outside club applications will be notified directly from the club leader electronically.

If your child is entitled to free school meals, financial assistance is available through the school to enable your child to attend any of the paid clubs. Please contact me if you would like further information.

All clubs will start the week commencing Monday 21st January 2019 and will finish week commencing Monday 18th March 2019.
