

## Gardening and Wildlife at Northfield

### Spring 2019 Sessions

Tues 8 <sup>th</sup> January	Dragonflies
Tues 15 <sup>th</sup> January	Grasshoppers
Tues 22 <sup>nd</sup> January	Bumble bees
Tues 29 <sup>th</sup> January	Caterpillars
Tues 5 <sup>th</sup> February	Butterflies
Tues 12 <sup>th</sup> February	Ladybirds

We intend to run these sessions whatever the weather so ask that on the day of your child's session they come to school dressed in outdoor clothes that are appropriate for that day's weather – sunhats and sun cream applied or clothes that are warm and that you don't mind getting muddy! If needed, outdoor shoes or wellies can be brought in a named bag. These dates are also on the website.

Thank you
