

**Dear Parents/Guardians**

**Newsletter – 27/11/18**

**Parent surveys from Parents' Evening**

Thank you for the high level of attendance at Parents' Evening and for completing the Parent Survey questionnaires. A summary of the results is on the reverse of this letter for you. The survey for parents of Reception children had some different questions on and so is displayed separately.

There were 147 responses of the surveys for parents of children in Years 1 to 6 and 23 responses from parents of Reception children.

Thank you also to parents who added comments/suggestions into the boxes. These have all been discussed with staff and we will look to act on various suggestions moving forward.

**Car park safety**

Please could we ask all parents to respect the pedestrian areas and do not walk across the car park for entry or exit. Please also reverse into car parking spaces, where possible. These measures help to keep all children/adults as safe as possible. Thank you.

**Christmas Dates for your diary**

**Friday 30<sup>th</sup> November – School Association Christmas Fair – 3:30 to 5pm**

**Friday 7<sup>th</sup> December – Christmas Singalong Assembly – 9:30am**

Parents are invited to join us in the hall on this morning to join in with singing some Christmas favourites with Mr Jones and our accompanying guest musicians!

**Reception/Year 1 and 2 Christmas Play – “The Inn-spectors”**

**Tuesday 11<sup>th</sup> December - Performances at 10am and 6pm.**

**Wednesday 12<sup>th</sup> December – Performance at 2pm**

**Friday 14<sup>th</sup> December – Christmas jumper day in aid of Save the Children.**

Children can either wear a Christmas jumper or non-uniform adding a Christmas accessory to their clothes!

Suggested donation – 50p

**Thursday 20<sup>th</sup> December – CHILDREN BREAK UP**

**Monday 7<sup>th</sup> January 2019 – CHILDREN RETURN FOR TERM 3**

**Information for parents**

We would like to make all parents in our community aware that we now have a **Defibrillator** based in our school office.

This is for use in an emergency when an adult/child has had a suspected cardiac arrest. We have a range of staff trained in how to use it.

Many thanks – Mr Jones
