## INVESTORS IN PUPILS

We have been very busy since we came back to school in September. This term, each class voted for their new school councillors. The elected children are really excited to start their new roles! Each school councillor wears a special red hat at playtime so you know who they are. You can let your school councillors know if you have any great ideas that you think will help the school.

**This term the children have been enjoying coming to our before and after school clubs with our sports coach Jack. They do lots of different sports and dance and they really enjoy it!**

The Penguins told the story of Diwali for their class assembly.  
They did a fantastic job and the audience really enjoyed watching them.

The children really enjoyed the Peter Pan Pantomime from the travelling theatre that came to visit.

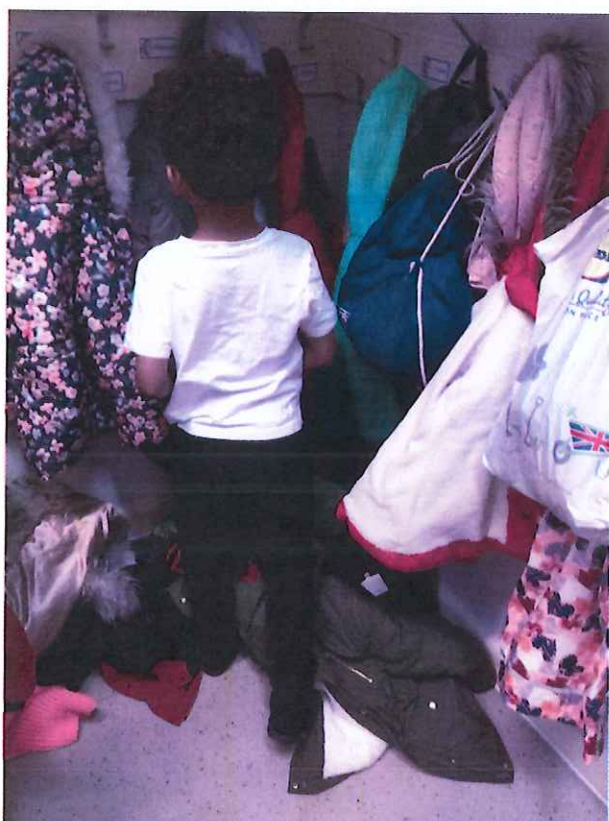

## Class monitor jobs

We have been keeping busy in class doing special jobs to help our teacher! We really enjoy doing them. We take it in turns so that every child has a go.
