1.	<p>Matters arising</p> <p>❖ RESPECT</p> <p>Children's Government came up with brilliant ideas for sharing about respect with the rest of school. They decided to take each letter and think of something that relates to respect beginning with that letter. We had:</p> <ul style="list-style-type: none"> Respect other people's things Enjoy looking at our displays but don't touch Speak out if you see someone doing something they shouldn't Put things back where they belong Everyone be respectful Care about our environment, look after things Thank you for respecting our school <p>We made letters and they stood in a line to spell out the word. They all spoke with confidence and clarity and it was well received. Well done all our ministers. We will see if it has an impact!</p> <p>ISSUE: some children showing lack of respect for other people's property</p> <p>ACTION: Children's Government to speak to all FS2 & KS1 children during an assembly; Ms Barnes and Miss Davison have both agreed that Children's Government can come in for an assembly during the last week of term to speak to the children.</p> <p>Monday 17th December 10.20 in KS1 Tuesday 18th December 10.30 in FS2</p> <p>IMPACT:</p> <p>❖ Topic Feedback</p> <p>We have been getting feedback from each class about the new topic/curriculum. So far we have asked most of the KS1 classes. Once we have feedback from FS2 we will feed this back to staff.</p> <p>ISSUE: we want to know what the children think about the new topics/changes to the curriculum</p> <p>ACTION: Edith is going to go round the KS1 classes Maika is going to help Jeevan ask the FS2 children</p> <p>IMPACT:</p> <p>❖ Playground accidents</p> <p>Need to get children to say sorry, perhaps write cards to say sorry; could we make the playground straighter?; could we still have a running track so people could 'run' more safely – this item will carry forward to 2019.</p> <p>ISSUE: people are getting hurt in the playground</p> <p>ACTION: we need to perhaps give a written message to each class to let them know what they should do, remind them about how to behave at playtime; remind them about good manners; want to survey the classes about what they would suggest</p> <p>IMPACT:</p>		

2.	<p>Parking Letters have now come in and have been sent to Anna Soubry, parents and FHT. We will leaflet in the new year.</p> <p>ISSUE: parking around school is dangerous and inconsiderate of your neighbours ACTION: we have designated ministers to write to different group of people; we will print more of the flyers to hand out one morning; Mrs I to dojo ministers' parents to explain nature of letter needed IMPACT:</p>		
3.	<p>BOB Letters are in but we will wait to give them out in the new year so that they don't get forgotten about over the holiday period.</p> <p>ISSUE: children want to use BOB more ACTION: write to the teachers; consider using after school; put signs up on BOB about how to use it/treat with respect; limit number on BOB at any one time; write to PTFA asking for their help; Mrs I to dojo ministers' parents to explain nature of letter needed IMPACT:</p>
