Learning in Year 6 Term 3 - 2018/19

Science

- Electricity

Computing

- Handling data

Religious Education

N/A

PSHE

- Relationships - How to cultivate good relationships

Our Newbridge Journey

Our enquiry is - Why should we care about our planet?

This means we will be learning about:

- Bees - anatomy, different types and habitat
- The Importance of bees
- The Plight of bees
- How we can look after our planet

The key skills we will be developing are:

- I can choose what is relevant, and present information in an appropriate format
- I can debate using a reasoned, logical argument and listen to and accept the opinion of others
- I can be a responsible member of my school and local community
- I can show an awareness of the social and political world and know how we can affect change

Mathematics

- Algebra
- Measurement converting units
- Measurement – perimeter, area and volume
- SATs practice

Geography

N/A

Music

- Songwriter: performing and responding to structured songs - pulse/texture/rhythm

Design Technology
