<p>Can you create your own pirate story at home? What adventures might they go on? Write a pirate story or a comic strip for the class to enjoy!</p>	<p>Can you create a map of your own treasure island and give directions to help a friend find the treasure?</p>	<p>Can you create a pet for your pirate? What would they look like? What would they be called? Perhaps you could create a new kind of animal...!</p>	<p>Can you use your learning about pirates to create a pirate dance routine? How do pirates like to move?</p>	<p>Can you learn a sea shanty to perform to your class? Perhaps you could work in a team and play some instruments while you sing!</p>	<p>Were pirates good or bad? Talk to a member of your family about what they think and come and tell your class about what you found out.</p>

In addition to the daily reading and key words practise set by the class teacher, these extra challenges link to topics which are taught this term and encourage children to use a broad range of skills. All children should complete at least one challenge over the term. They can do more than one challenge if they choose. Children will be awarded a raffle ticket for each challenge completed, which will be entered into a prize draw at the end of the term! Photographs of learning can be uploaded onto Class Dojo for us all to see - please share the wonderful experiences you are providing for your child at home! Please speak to your child's class teacher for support with this.
