Home Learning Topic Challenges for Year 2

Term 3 Topic: Treasure Island

					
Verbal / Linguistic – I enjoy reading, writing and speaking	Logical / Mathematical – I enjoy working with numbers and science	Visual / Spatial – I enjoy painting, drawing, modelling and designing	Bodily / Kinaesthetic – I enjoy doing sports or hands on activities	Musical – I enjoy making and listening to music	Interpersonal – I enjoy working with others
Can you find a book about pirates or a book where the characters in the book go on an adventure? It could be a fiction or non-fiction book.	Create a treasure map and use compass directions to show how to get to the treasure.	Use a variety of materials to make something for our topic display. It could be a pirate model, pirate ship or treasure chest.	Play the pirate warm up game with someone in your family. Show someone at home the actions for 'climb the rigging' and 'scrub the deck'. Can you create any new actions?	Create your own pirate sea shanty and perform it to the class during show and tell.	Make a pirate wanted poster with members of your family. Bring it into school to share with the class.

In addition to the weekly spellings set by the class teacher, these extra challenges link to topics which are taught this term and encourage children to use a broad range of skills. All children should complete at least one challenge over the term. They can do more than one challenge if they choose. The work will be displayed and celebrated.
