All children should complete at least one challenge over the term, but can do more than one challenge if they choose. Children will be awarded a dojo for each challenge completed, share it with the class and go onto the superstar. Spellings will be sent home to be tested the following **Friday**. Every child is expected to read at home daily and get at least three signatures in their reading record to show this. Please bring your book to school every day as we read in class as well.
