

## **Kris MacNaughton, Co-opted Governor**

### **Background**

I am a long term local resident of the Trees Estate in South Ealing and was previously the chair of ECLA, the Ealing Council Leaseholders Association. I have a BSc in Politics and have worked as a civil servant for more than 20 years, first as an immigration officer and latterly as a policy official specialising in equalities.

### **Reasons for becoming a governor at Grange Primary School**

I have enjoyed living in South Ealing for the last twenty years and I welcome the opportunity to give something back to the local community. I am particularly pleased to have the chance to work with my local primary school and help ensure my neighbours receive a good quality education service.

### **What I can bring as a governor to Grange Primary School**

In my previous role on the leaseholders' committee I helped scrutinise Ealing Council's performance and facilitated their engagement with their leaseholders. Professionally, I have a background in policy formulation and implementation and experience in legislation and data analysis. These skills and experience will help me review the work of the school.
