

# St George's Newsletter December 21st

Thank you to all who supported  
our Christmas Dress Down Day –  
we collected £130 which we  
have donated to the Children's  
Air Ambulance in Burton.

## Up-coming Events

**Friday 21<sup>st</sup> December:** Break up for Christmas!

**Monday 7<sup>th</sup> January:** INSET

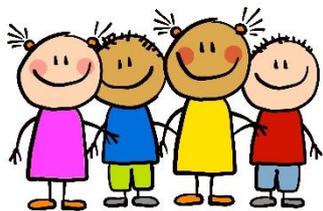

**Tuesday 8<sup>th</sup> January:** Back to school!

A huge well done to St.George's mathematicians!

We are now Derbyshire SumDog champions and took the

top two individual places too!

We have had a wonderful two weeks, jam-packed with brilliant Christmas performances by all classes. Well done to all of the narrators, actors, singers, stage-hands and technical assistants! Thank you to parents for attending - the hall was bulging at the seams for some performances, which is why (in the interests of safety) we had to limit tickets and ask for them to be handed in on the day.

We are all aware how busy Church Street is and how quickly some motorists drive. There is increasing congestion with parked cars at the end of the day and this has resulted in some of the more impatient motorists actually mounting the pavement! There have also been incidents where parents have congregated on the path outside school, resulting in other parents and children having to step into the road to get around them. PLEASE, PLEASE be mindful of where you park your car and stand where it is wider so that our children are safe on the footpath. Thank you.

And finally...

I cannot believe how quickly this term has flown and whilst I would have relished the challenge to continue leading our school, I am fully committed to working alongside the new Headteacher Mrs Millar to ensure a successful and smooth transition and to help steer us through the next phase of our exciting journey.

St. George's is a warm, friendly and special place and I would like to take this opportunity to thank staff, parents and pupils wholeheartedly for their continuous support, commitment and friendship. It has been a privilege to be Head of this amazing school for a term and I look forward to working with you all after Christmas.

Have a fantastic holiday!

Melanie Machell
