

Anti-Bullying Policy

(In conjunction with the SMEH Policy)

Principles and Values - As a school we take bullying and its impact seriously. Pupils and parents should be assured that known incidents of bullying will be responded to. Bullying will not be tolerated. The school will see ways to counter the effects of bullying that may occur within school or in the local community. The ethos of our school fosters high expectations of outstanding behaviour and we will consistently challenge any behaviour that falls below this.

Objectives of this Policy

All governors, teaching and non-teaching staff, pupils and parents should understand what bullying is.

All governors and teaching and non-teaching staff should know what the school policy is on bullying and follow it when bullying is reported.

All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises. All of us have encountered bullying at some point in our lives, but we all deal with it differently.

The aim of this policy is to encourage an ethos of everyone working together to ensure that our school is a safe place for children and adults to be; whether the school community is directly or indirectly affected by bullying or not.

What Is Bullying?

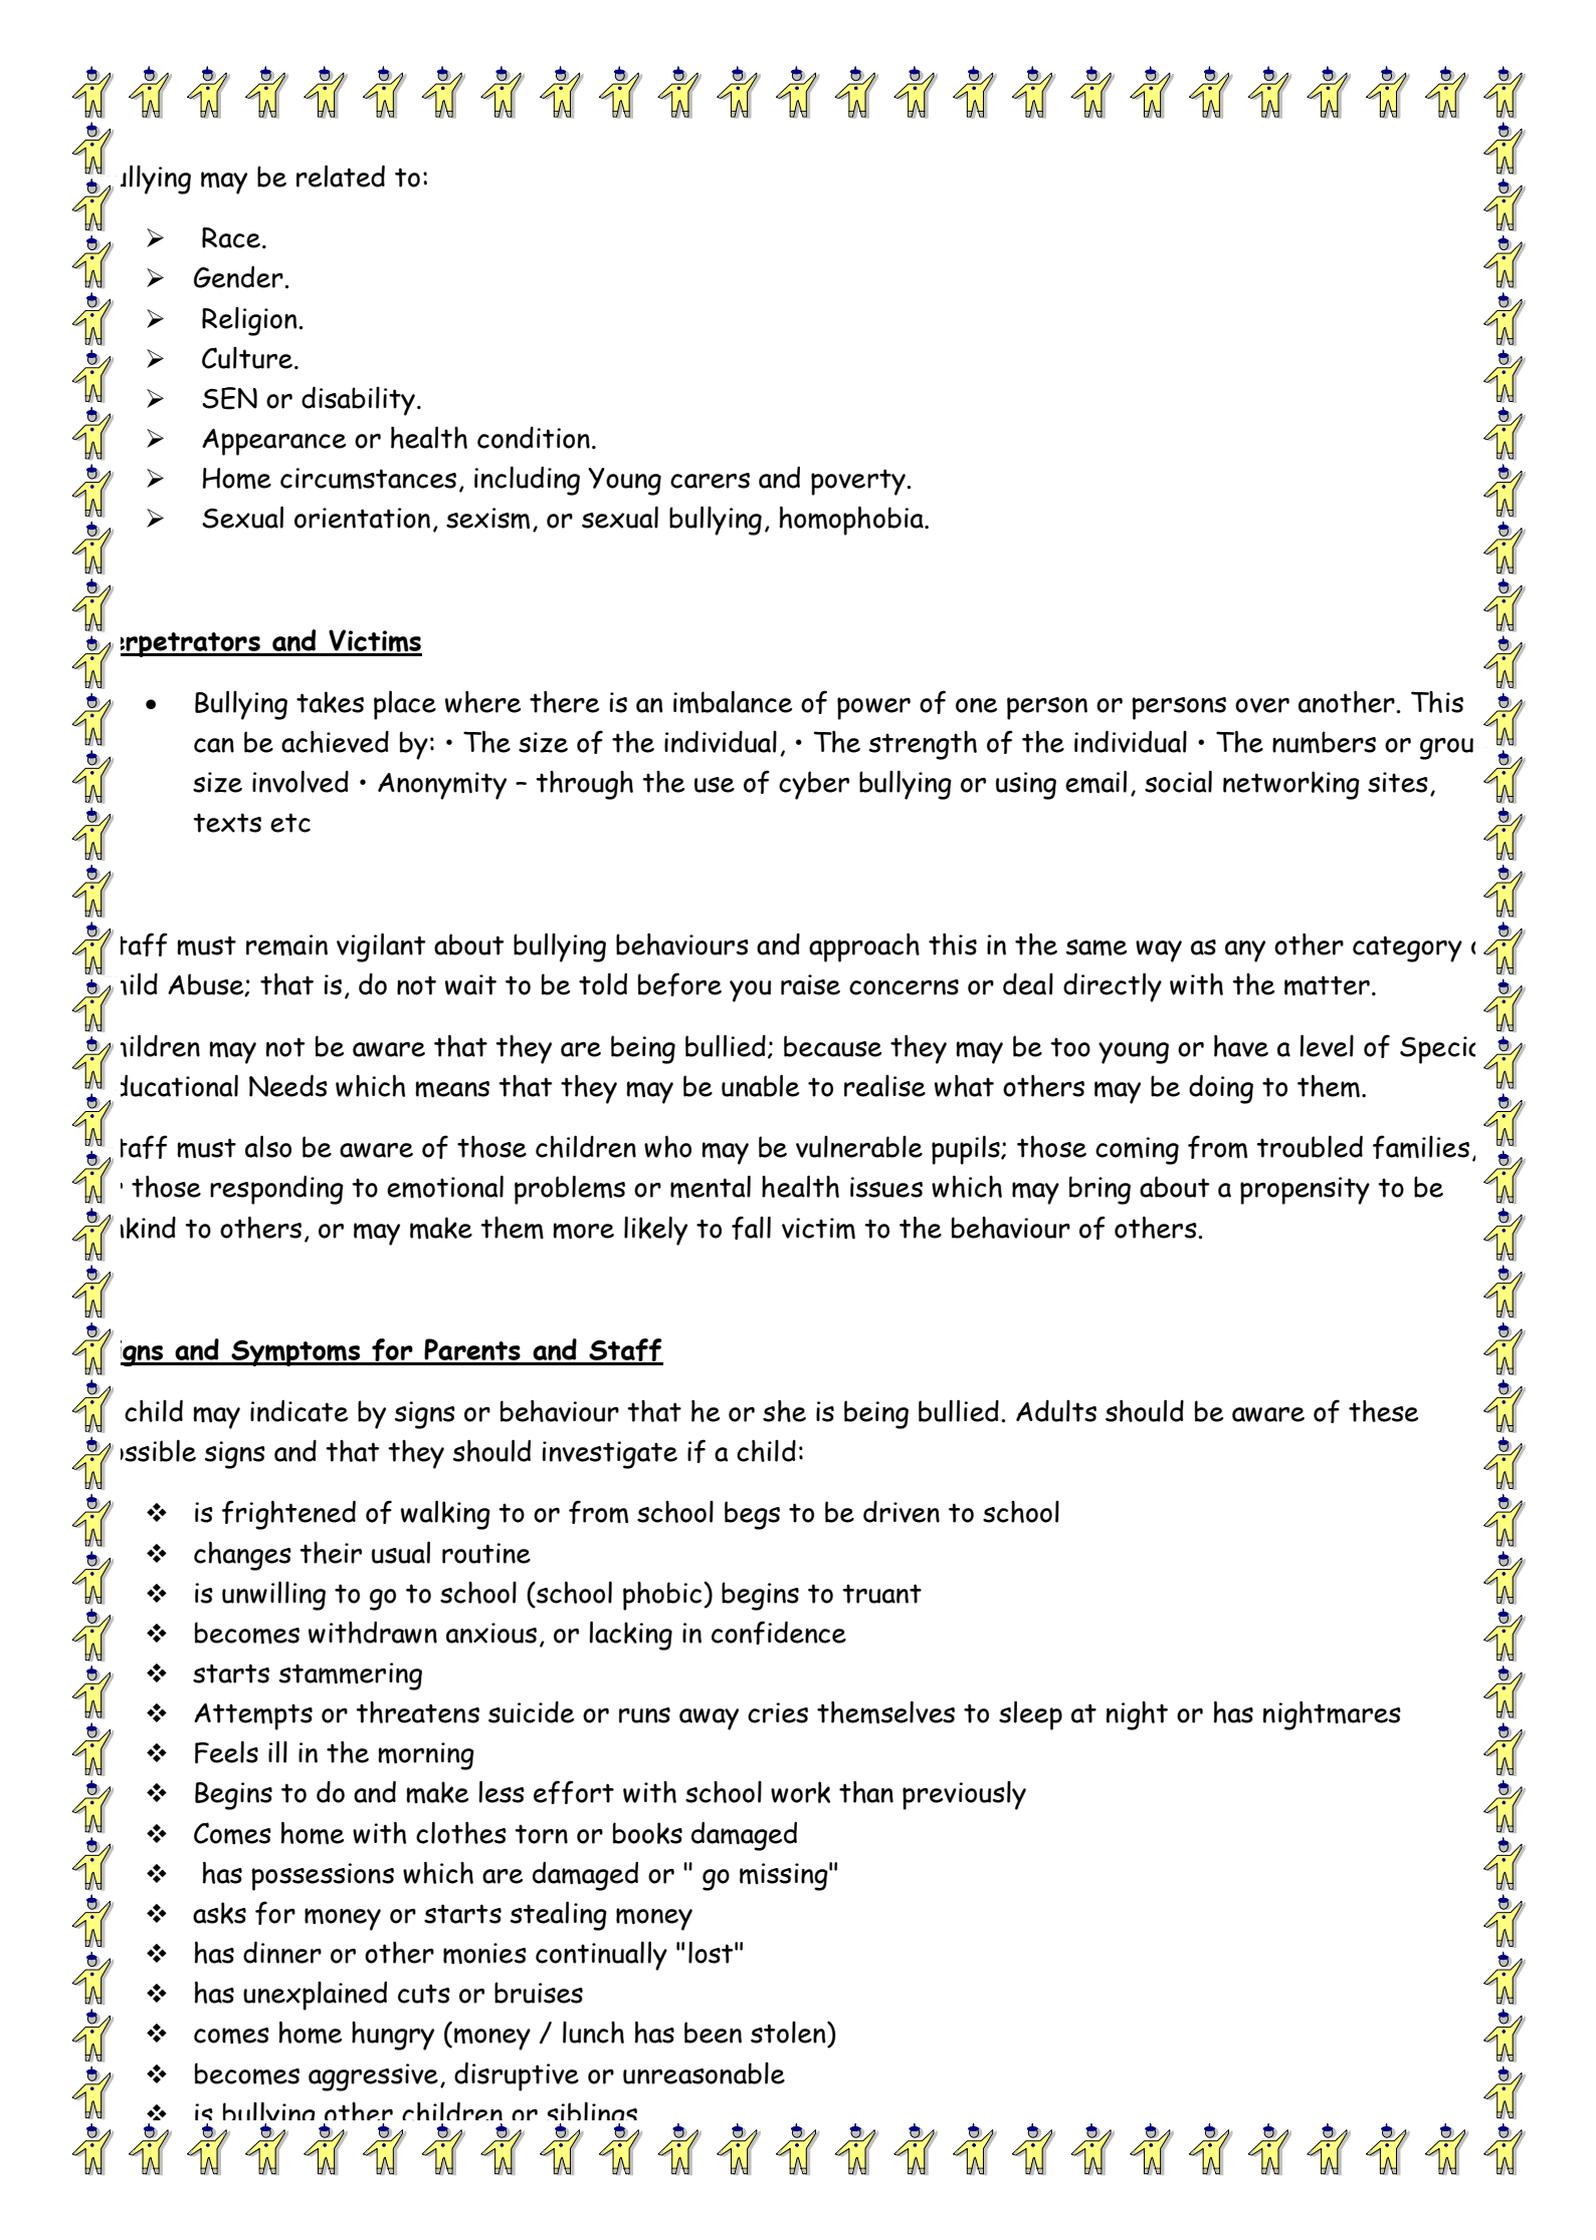

Bullying is unacceptable behaviour used by an individual or group, usually repeated over time and that intentionally hurts another individual or group either physically or emotionally.

In other words, bullying at Anderton Park Primary school is considered to be:

'Unacceptable behaviour which occurs 'lots of times, on purpose'.

Bullying can be short term or continuous over long periods of time. Bullying can be:

- ✓ Emotional being unfriendly
- ✓ Excluding
- ✓ Tormenting (e.g. hiding books, threatening gestures)
- ✓ Physical (pushing, kicking, biting, hitting, punching or any use of violence)
- ✓ Racial taunts
- ✓ Graffiti
- ✓ Gestures
- ✓ Sexual (unwanted physical contact or sexually abusive comments)
- ✓ Homophobic because of, or focussing on the issue of sexuality Direct or indirect.
- ✓ Verbal name-calling.
- ✓ Sarcasm.
- ✓ Spreading rumours.
- ✓ Teasing.
- ✓ Cyber bullying (all areas of the internet such as email and internet chat Twitter Facebook misuse).
- ✓ Mobile threats by text messaging and calls.
- ✓ Misuse of associated technology, i.e. camera and video facilities, Ipad, games consoles.

Bullying may be related to:

- Race.
- Gender.
- Religion.
- Culture.
- SEN or disability.
- Appearance or health condition.
- Home circumstances, including Young carers and poverty.
- Sexual orientation, sexism, or sexual bullying, homophobia.

Perpetrators and Victims

- Bullying takes place where there is an imbalance of power of one person or persons over another. This can be achieved by: • The size of the individual, • The strength of the individual • The numbers or group size involved • Anonymity - through the use of cyber bullying or using email, social networking sites, texts etc

Staff must remain vigilant about bullying behaviours and approach this in the same way as any other category of Child Abuse; that is, do not wait to be told before you raise concerns or deal directly with the matter.

Children may not be aware that they are being bullied; because they may be too young or have a level of Special Educational Needs which means that they may be unable to realise what others may be doing to them.

Staff must also be aware of those children who may be vulnerable pupils; those coming from troubled families, those responding to emotional problems or mental health issues which may bring about a propensity to be unkind to others, or may make them more likely to fall victim to the behaviour of others.

Signs and Symptoms for Parents and Staff

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- ❖ is frightened of walking to or from school begs to be driven to school
- ❖ changes their usual routine
- ❖ is unwilling to go to school (school phobic) begins to truant
- ❖ becomes withdrawn anxious, or lacking in confidence
- ❖ starts stammering
- ❖ Attempts or threatens suicide or runs away cries themselves to sleep at night or has nightmares

- ❖ Begins to do and make less effort with school work than previously

These signs and behaviours could indicate other social, emotional and/or mental health problems, but bullying could be considered a possibility and should be investigated.

Outcomes -

Known/reported incidences of bullying will be investigated by the class teacher or by a senior member of staff. Parents of the perpetrator may also be questioned about the incident or about any concerns that they may be having.

The child displaying unacceptable behaviour, may be asked to genuinely apologise (as appropriate to the child's age and level of understanding)

Other consequences may take place. E.g. a parent being informed about their child's behaviour and a request that the parents support the school with any sanctions that it takes (See SMEH Policy). Wherever possible, the pupils will be reconciled.

In some cases, outside agencies may be requested to support the school or family in dealing with a child continually demonstrating unacceptable behaviour towards others. eg police, counsellor, Malachi Outreach Support Program.

In serious cases (this is defined as children displaying an on-going lack of response to sanctions, that is, no change in behaviour of the perpetrator and an unwillingness to alter their behaviour choices), support from behaviour outreach, counselling, reduced timetables, or even fixed or permanent exclusion will be considered.

During and after the incident(s) have been investigated and dealt with, each case will be recorded on 'My Concern' as soon as possible and monitored to ensure repeated bullying does not take place. The Pastoral team and appropriate governor will be tagged into the updates with details incidents, sanctions and reconciliation.

At Anderton Park we use a variety of methods to support children in preventing and understanding the consequences of bullying through class assemblies, PSHE and Citizenship lessons, SMSC Curriculum, the school mission and Assembly Themes, Anti-bullying week and continued focus. E-Safety Day, Children are also consulted through School Council.

school website - Keeping E-Safe section. Learning Mentors child friendly programs (individual and group).

The ethos and working philosophy of Anderton Park Primary School means that all staff actively encourage children to have respect for each other and for other people's property. Good and kind/polite behaviour is regularly acknowledged and rewarded.

Staff will regularly discuss bullying, this will inform children that we are serious about dealing with bullying and leads to open conversations and increased confidence in children to want to discuss bullying and report any incidents and concerns about other children's behaviour. Staff will reinforce expectations of behaviour as a regular theme in line with our Vision and our Steady Good Learner expectations.

that support the equality charter, supporting every child in our school. Staff must be clear that not recognizing

differences of children or an individual child, even if this is done in jest. This gives other children advocacy to see this difference to begin calling names or teasing. Staff must be vigilant regarding groups of friends together.

Friendship groups may bring about the imbalance of power and must be led towards welcoming others to join them and not excluding others from their group. Staff must reinforce a general message that children do not have to be friends with everyone else, but they must be respectful of everyone else's feelings and be kind to each other.

Children are involved in the prevention of bullying as and when appropriate, these may include:

- writing a set of school or class rules
- Writing a personal pledge or promise against bullying
- writing stories or poems or drawing pictures about bullying
- reading stories about bullying or having them read to a class or assembly
- making up role-plays about what to do through scenarios of bullying
- having discussions about bullying and why it matters that children who use unacceptable behaviour towards others are dealt with quickly
- Creating an item for the school website.

If a child feels that they are being bullied, then there are several procedures that they are encouraged to follow: (not hierarchical)

- Tell a friend
- Tell your School Council rep or Anti-Bullying Team
- Tell a teacher or adult whom you feel you can trust
- Tell a parent or adult at home whom you feel you can trust
- Discuss it as part of your PSHE time
- Ring Childline and follow the advice given
- Visit the school website for ideas of what to do next.

Recording of Bullying Incidents When an incident of bullying has taken place, staff must be prepared to record and report each incident (on My Concern).

In the case of racist bullying, this must be reported to the Headteacher. General incidences of bullying should be recorded on My Concern this would include incidents where staff have had to become involved and speak with children, and/or where parents have raised concerns regarding bullying procedure, as with any case of Child Protection.

All incidents of bullying will be discussed with all relevant staff and parents of the children involved, in order that everyone can be vigilant and that further incidents by the same child (ren) may be prevented from happening in the future.

All incidents of bullying will be discussed with the Governing Body (Safeguarding Governors). My Concern will implement all decisions/actions.

Advice to Parents As the parent of a child whom you suspect is being bullied:

Report bullying incidents to the Class teacher, SEMH Co-ordinator (Mr Sinclair) or Learning Mentor.

In cases of serious bullying, the incidents will be recorded by staff (on My Concern) and the Headteacher notified.

In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem.

If necessary and appropriate, police will be consulted.

The bullying behaviour or threats of bullying must be investigated, and the bullying stopped quickly.

An attempt will be made to help the child using unacceptable behaviour towards others, to change their behaviour.

Do Not: 1. Attempt to sort the problem out yourself by speaking to the child whom you think may be behaving appropriately towards your child or by speaking to their parents.

Encourage your child to be 'a bully' back.

These types of advice will only make the problem much harder to solve.
