

Autumn 2 - 2018

Our aim is to involve as many of our children as possible in sport. We hope to create lots more opportunities and new experiences for them all to take part in.

Welcome to this half term's edition of Woodseats sports news. This term we have had a number of different competitions, including indoor athletics and basketball. It has been great to see some different children joining in and putting themselves forward for competitions to represent the school.

Football - Both the Y5 boys' football team and the Y5/6 girls' football team have now played some of their league games. Both teams have been able to put the skills they have been learning in training into practice. All the children had a great time (despite the cold weather) and look forward to future games!

Athletics – In October some of our Y5 and Y6 children took part in an indoor athletics competition. It was lovely to see some new faces wanting to take part and really great to see how much they encouraged and supported each other as a team. Some of the children took on new individual challenges and really made us all very proud!

Basketball – We are incredibly proud of our Y5 basketball team. At the end of November they took part in the Hotshots basketball tournament, finishing 3rd overall. The team won 4 out of their 5 games which is amazing! They all worked really hard together, supporting each other on and off the court. They represented the school brilliantly and we are super proud of their achievement. Well done!

Lunchtime clubs – We have a number of lunchtime clubs, including benchball, yoga, dance, basketball and handball. The children love taking part, it's great to see so many getting involved!

After school clubs – We have a number of after school clubs such as Y4 – 6 Netball, Y5/6 girls and boys football, Y3 – Y6 dance and Y1 – Y6 tennis which will all continue after the Christmas break so please get in touch if your child would like to come along, it would be great to see them there!

Get in touch - We would love to hear about any sporting achievements and events your children attend outside of school so we can display them on our proud wall!

If there are any sports that you would like to see a club set up for or any sports your children are particularly interested in, then please get in touch and we will see if we can get a club up and running!
