Recommended Study Books

If you're looking for some good revision guides to fill those 12 Days of Christmas, I would strongly recommend these (all available from Amazon and elsewhere).

All the children in Year 6 have applied and challenged themselves over the last term, and are well-placed to make even more progress and achieve great success during the rest of the academic year. Well done! Relax over the holiday period, recharge your batteries and return refreshed and ready to tackle the next challenges ahead!

Those who feel they are struggling in some topics, should take the opportunity to revise areas of weakness (consider buying the study books shown on the left).

On behalf of Mrs. Carroll, Mrs. Coyle and Miss Kelsall, may I wish you and your family a very happy and healthy holiday! With very best wishes,
Mr. Rowlinson
