

# What makes the Earth angry?

## Dear Parents and Year 3

This is our topic for this half term. Please use it to help your own research, and I encourage you to bring things into school to help your learning.

Our Christian value for this half term is **peace**.

### In English

We will look at a range of fiction and non-fiction texts before writing our own poems and instructions based on our theme.

### As readers

We will be working on our understanding of a text and how it is organised to make it clearer.

### As mathematicians

We will continue with our work on addition and subtraction before moving on to multiplication and division.

### In RE

We will be looking at how God is with us with a specific look into the celebration of Christmas.

### As geographers

We will be looking at how our Earth is formed and what causes things like volcanoes and earthquakes.

### As Bug Fixers

We will be finding what is wrong on a computer program and fixing it with our problem solving skills!

### As musicians

We will look at improvised and composed pieces of music and create our own to set a certain tone.

### As citizens

We will be looking at peace with others and peace around the world.

### As scientists

We will be identifying the different types of rock that make up the Earth and what information they give us.

### As designers

We will be designing and creating our own erupting volcano!

We will continue with swimming every Monday afternoon, so remember your costumes!
