

Empty

My stomach is...

My bed on a school day,
A desert,
A bin on Wednesday,
A Christmas tree in summer,

Empty.

A burgled safe,
A noob's locker,
A bird's nest in winter,
Scrooge's heart,

Empty.

A Halloween pumpkin,
A black hole,
A pen after writing a novel,
A hollow old oak tree,

Empty.

A summer holiday classroom,
A cup in a cupboard,
An abandoned BHS,
A new house,

Empty.

My friend's list,
My Christmas jumper in July,
A pauper's pocket,
A gun barrel after a shootout,

Empty.

Empty.

Empty.
