

## Hansel and Gretel's Nightmare.

Hocus pocus sizzle fry  
I'm the witch  
I'll watch you die.

I'll let my pigeons peck your eyes,  
My spiders will climb up your nose,  
I'll boil your mummy in my pot,  
I'll eat your daddy's tired bones,

Hocus pocus sizzle fry  
I'm the witch  
I'll watch you die

My wasps will sting under your nails,  
I'll pull your teeth out with my pliers,  
I'll crack your little kitten's neck,  
And burn your puppy on my fire!

Hocus pocus sizzle fry  
I'm the witch  
I'll watch you die

My wolves will stalk you through the night,  
My china dolls will watch you sleep,  
My clown will drag you to the sewer,  
My devilish demons will make you weep,

Hocus pocus sizzle fry  
I'm the witch  
I'll watch you die  
I'll drag you flying off a bridge,

I'll gouge your eyes out with my claws,  
My goblin's hand will grab your feet,  
And then I'll crunch you in my jaws...

Hocus pocus sizzle fry  
I'm the witch  
I'll watch you die
