

You will be given 3 weekly activities that must be done. In addition, you have a further 4 activities you could choose from below. We are hoping you will put in a lot of effort for each piece and you will enjoy sharing all your hard work with the rest of the class.

WEEKLY	Reading (At least three times a week). Spellings (Practise your spellings for your test). Complete the weekly home learning task set by Mr Richards.	
TERMLY	<u>Crafty food</u>  Using whatever craft materials you have at home, create your favourite meal on a plate. You could use plasticine, dried pasta or rice, wool, paper, felt pens, tissue paper, paint, crayons, pipe cleaners etc. Using several materials will make your creation look good enough to eat.	<u>Magnificent materials</u>  Imagine some aliens have landed in your garden and they do not know what these materials are like: wood, plastic, glass, metal, water and rock. How would you describe them? Write some full sentences to show what you would say to them. Think about which adjectives would best describe the properties of each material.
	<u>Cook from around the world</u>  Make your favourite recipe from another country (there are many great recipes on the BBC Good Food website.) Remember to ask an adult to help you with the cooking. If you bring the food into school, please ensure it does not contain nuts. You could also take photographs of the different stages of your recipe, perhaps even add captions to describe what you did. Ready, steady, cook!	<u>Mathletics</u>  Please continue exploring this fun online maths resource that the school has made available to you. Play games, solve puzzles and challenge yourself and your friends. Your login details are inside your home learning books.

TOP TIP! Most of these projects may take a few goes before they are finished, that's normal. Plan out what you want to do before you start, chat through your ideas with someone else if you want to but the end result must be your own work. Take your time, redraft if you need to. Produce your best work and have fun!
