

Orange Class

Teachers: Mr Green

Teaching Assistants: Mrs Pitcher

Welcome back to school!

We hope that you and your children enjoyed a fantastic Christmas and New Year. This term we are going to be asking "What Worlds Can We Discover?" as we explore the fabulous world of Narnia in C.S. Lewis's classic: The Lion, The Witch and The Wardrobe.

In maths, we will continue to focus on ensuring they have the fluency in their times tables and number bonds to allow them to calculate confidently using addition, subtraction, multiplication and division. We will also now look at statistics, fractions and working with money.

In English, we will take our inspiration from our class text and be writing about the characters and settings visited in the book, as well as using our own imaginations to create our own worlds and stories.

So at home, please do continue to help your child by trying to read with them every day. Please encourage them to learn their times tables and practise their number bonds and mental maths.

Topics this Term

This term, our question is: What Worlds Can We Discover?
We will be exploring ideas around time across the curriculum and in our Real Event.

For further information on what we will be covering this term, please see the curriculum map available on our website.

Upcoming Events

Dates for the diary

Thursday 14th February 2019 –
Learning Together at 9am

Thursday 28th February 2019 –
Parent Lunch at 11.45am

Tuesday 26th March 2019 –
Real Event at 2.00pm

Important information

Swimming is on a Friday morning. Please ensure your child has their costume, towel and hat.

P.E. is on Tuesdays. Please make sure your child has the correct kit in school for this.

Reading at home should be recorded in learning logs and signed or initialed by a parent so it can be counted towards the children's reading challenge.
