

Has Greece always been in the news?

Dear Parents and Year 3

This is our topic for this half term. Please use it to help your own research, and I encourage you to bring things into school to help your learning.

Our Christian value for this half term is **Love**.

In English

We will be looking at how we can use different language to create mystery and adventure in our writing.

As readers

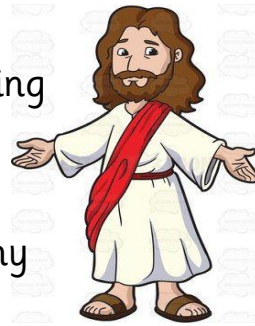

We will be focussing on how to use the text as evidence to make conclusions and predictions in order to answer questions. Our class novel will be Varjak Paw.

As mathematicians

We will continue with our work on multiplication and division before moving onto measuring money and understanding statistics.

In RE

We will be looking at who Jesus is and how he changed so many lives.

As Presenters

We will be looking at how videos are made, before making our own and editing them.

As citizens

We will spread the important message of loving one another as God loves us.

As scientists

We will be looking at how our bodies enable us to move by looking at our skeletons and muscles.

We will also see how important our diet is.

As musicians

We will look at European artists whilst recognising the instruments and rhythm of the pieces of music.

As designers

We will be tasting Greek food and looking at how ingredients are grown, farmed or caught.

We will continue with swimming every Monday afternoon, so remember your costumes!
