

Art and Craft Club

Bookings for the new **Friday sessions** now being taken!

If there's enough interest, we'll start **this week** - who's up for it?!

£90 for the term

(10 sessions at £7 a session, plus £20 to cover materials - no session on Friday 25th January)

We aim high and cover a wide range of activities from both the art and craft worlds, and have at least one public exhibition at Guildford Library per term. Each session is followed by a Facebook update - please have a look and see what we did last term!

The Art and Craft Club is run by me, Kate Alger, a practicing artist and designer-maker. I work from my home studio and at Ochre Print Studio and regularly take on commissions. You can see some of my recent artwork on Instagram

I am passionate about exposing children to Art and Craft from an early age and inspiring the next generation to be creative, dexterous, inquisitive and to give them the gift of creating things with their own hands.

Please book your child's place either through the office at school or catch me in the playground (I'm Hetty and Milly's mum so will be somewhere in the middle of Year 3 and Year 1!)

Thank you,
