

Dear Parents and Year 6 here are our topics for this term.

Why was the Islamic Civilization around AD900 known as the 'Golden Age'?

Please use it to aid your own research or bring things into class to support your own learning. Our Christian values are Love and Humility.

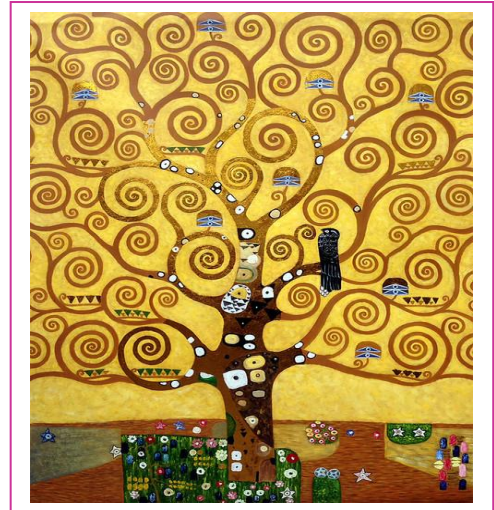

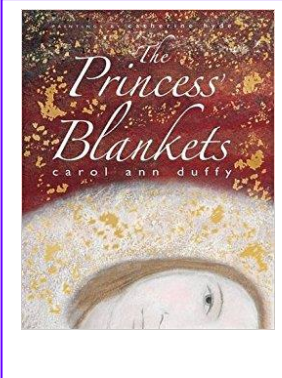

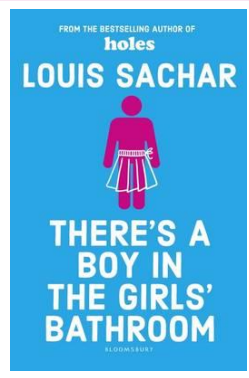

Children will be revising for their SAT tests this term. It would be great if parents could make sure homework is completed and children are reading regularly and practicing their times tables.

As Artists we will:

Study the artist Gustav Klimt and interpret Islamic art using watercolour.

As Mathematicians we will:

Study fractions, decimals and percentages. We will explore algebra as well as measurement and ratio. We will use a reasoning and problem solving approach.

As Authors we will:

Write diaries, newspaper articles, narratives and poetry using the books, 'There's a boy in the girls' bathroom' and 'The Princess blankets' as a basis for our ideas.

As Scientists we will:

Learn about electricity and investigate voltage, symbols and circuits.

As Designers we will:

Design and make a board game with electronic parts.

As Christians we will:

Explore why Exodus is such a significant event in the Jewish and Christian history.

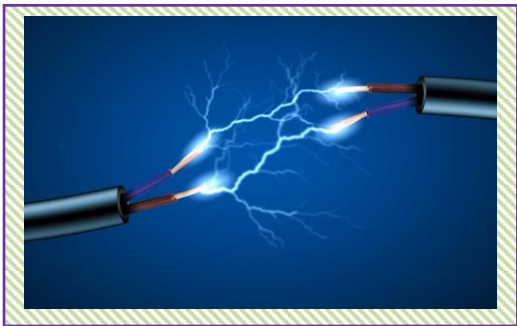

As Athletes we will:

Learn basketball skills and athletic skills at Robin Park.

As Readers we will:

Read for meaning by answering questions about the text to show good understanding and comprehension. We will focus on grammar and explore the meanings of different words to broaden our knowledge.

As Historians we will:

Explore the Islamic Civilization around AD900 known as the 'Golden Age'

As French linguists we will:

Learn about playing and enjoying sport and all the fun of the fair.
