

### SPORTS PREMIUM – 2018/19

		TOTAL - £16,770			
Strategy	Cost	Staff responsible	Actions	Timescale	Measurable impact
Subscription to Sedgfield Schools Sports Partnership.	£5150	Mr. Murphy	The partnership provides – 1. High quality coaching from trained teachers and sports coaches 2. PE teaching support with coaches working alongside class teachers to upskill them and make them more confident in their own PE teaching. 3. Access to a comprehensive calendar of sports CPD for staff. 4. Access to organised competitions and tournaments with other schools. 5. Promote links with community sports clubs and organisations. 6. Identification of Gifted & Talented pupils.	Throughout academic year	We expect increased proportion of pupils meeting age-related expectation in PE by July 2019 as a result of this additional spending. New coordinator to show this against baseline September 2018 data. <i>Upskilling of school teaching and support staff through model coaching will help sustain high quality provision in the future in house.</i>
Funding of transport to tournaments and competitions.	£2000	Mr. Murphy	Access to organised competitions and tournaments with other schools through the SSP and additional opportunities.	One academic year	As above. <i>Links with other schools, clubs and organisations fostered to ensure future competition and inter-school opportunities.</i>
Funding to cover PE specialist's class to free him to provide bespoke PE support and teaching in school and to develop PE framework for school moving forward. (1 day per week+ average commencing April 2019)	£6000	Mr. Murphy	Develop PE framework to futureproof school against potential loss of Sports Premium grant. Develop assessment tools to provide accurate picture of pupils' attainment. Provide 'team teach' opportunities with other staff. Develop outdoor learning and playground activities.	One term initially	Improved teacher subject knowledge. Increased challenge of pupils of all abilities.
Provision of 30 minutes' fitness each	£1500	Mr. Murphy	Engage Simon Carson Sports School in	Throughout	Improved resilience, team

day in-line with national requirements (1 day funded for external support)			providing a variety of fitness activities across the week for every child.	academic year	ethic and behaviour in the curriculum. Modelled links with the core curriculum and promotion of healthy lifestyles. Pupils more active.
