Year 2 Term 3 2019 Curriculum Letter

Dear Parents and Carers

We hope that you enjoyed your Christmas break. Thank you all for your generous gifts and cards.

We have already started our new topic of 'As If by Magic...' and we are all excited for the term ahead.

Thank you for supporting your children with their homework last term. Please continue to read with your child for a minimum of ten minutes every day. You can maximise your child's progress in reading, writing and maths by encouraging them to practise spelling and reading the Year 2 common exception words and automatically recalling the KS1 maths fluency facts. You were provided with a copy of both of these documents with the homework in the last week of Term 2.

Our topic this term is 'As If By Magic...'
