

REDLANDS PRIMARY SCHOOL

Dear Parents

I would like to start with a big thank you to all the families at Redlands for your support in my first two terms at Redlands. I am incredibly grateful to you all for being so kind and welcoming me into this glorious school with open arms. I cannot believe how quickly the weeks have flown by and we are at the end of the Autumn Term.

It has been an incredible few weeks with a hubbub of different activities including the Christmas Fair and trips to the Hexagon and Reading Rep to watch the Pantomime as well as end of term parties! This week we had the pleasure of watching the KS1 nativity and the KS2 singing concert. As I stand back and observe our children I am always full of pride and impressed by their confidence.

I would like to wish you all a lovely relaxing holiday and I hope you all are able to spend this lovely period with loved ones. I look forward to seeing you all in the new year!

Mrs Aslam (Headteacher)

KS2 Carol Concert

Although the weather ordered for the singing concert was not delivered, the children and staff were able to demonstrate their 'can do' attitude by soldiering through and putting together their performance in the hall.

Although we were not outside, stood in the hall surrounded by the twinkling lights, tinselly stage and harmonious children we were treated to many beautiful songs. My favourite had to be the 12 days of Redlands! Which was a lovely surprise!

KS1 Nativity

The children in KS1 gave us a wonderful jazzy performance of The Nativity. The poor inn keepers were kept awake all night by their noisy visitors and the dancing star! As always our children did us proud. My particular favourite were the moves displayed by the children when they sang to the baby at the end.

A big well done to all of the staff and children involved!

Reading Girls

In amongst all the Christmas festivities our girls in Year four have been given the amazing opportunity to partake in sessions as part of our primary project with the school where we currently are working on food technology project. The children have had a fabulous time cooking. Visit our website to see the pictures!

Reminders
